

Directions to Studio:

From I-29

- Take the Main Brookings Exit: Exit 132
- Go West, this will put you on 6th Street
- Take a left on Main Street
- Turn right on Trail Ridge Road
- The road will curve and you will see the studio on the left hand side. My door has AC Ellis Photography on it and faces Trail Ridge Road. You can park on the road, or you can drive past my door and pull into the parking lot to the South of my building.

My building is behind Mad Jacks, Speedy Cleaners and Sunflower which faces Main St. But it is not in the same building or back of that building. I am in a separate building facing Trail Ridge.

Call if you get lost. And see the map which is linked on the blog.
